

2017 Old Vines Chardonnay

Perhaps the most unique Chardonnay in the Lynmar Estate collection, this wine is crafted from Rued Clone grapes, grown on 40-year-old heritage vines, on a single block of Quail Hill Vineyard. We begin with a 24-hour cold soak on the skins before pressing off the juice, adding intriguing layers of texture and nuance. A rich golden hue, this wine brings forth exotic aromatics of honeysuckle, fresh yellow peach, jasmine and notes of beeswax. On the palate, bright flavors of lychee, candied orange peel and nectarine are prominent. The vibrant acidity leads to a pithy finish, with soft tannins resulting from the short contact with the skins.

Alcohol: 14.1%

pH: 3.48
