

2018 La Sereinité Chardonnay

Every season, we carefully select a handful of Chardonnay lots that best express the cool climate of the Russian River Valley. These are blended together from neutral oak barrels and concrete fermentations tanks that allow the essence of the vintage to shine. A pale golden color in the glass, the La Sereinite bursts forth with notes of white peach, Bartlett pear, yellow daisies and hints of honeycomb. This wine has great tension on the palate upon entry and flavors of lemongrass, wet stone and grapefruit zest and intermingled with fresh acidity and a long finish.

Alcohol: 14.3%

pH: 3.32
