

## 2018 Lynn's Blend Pinot Noir

Crafted in honor of our proprietor Lynn Fritz, this vibrant cuvee blends two of Lynn's favorite clones from our Quail Hill Vineyard estate: Mt. Eden and Quail Hill Select. Mt. Eden clone produces aromatics of violet, blackberry and hints of clove, while providing beautiful density and texture. Quail Hill Select adds hints of red fruits, cedar and vibrant acidity. Together these two clones pair extremely well, giving this wine power and finesse all in the same sip. The resulting combination exhibits intense structure and power, while maintaining a streamlined and approachable finish.
