

2018 Susanna's Vineyard Chardonnay

A gift from our Proprietor Lynn Fritz to his wife Anisya, Susanna's Vineyard is a 20-acre site along Highway 116 in the Sonoma Coast section of Sebastopol. Early morning fog, long shadows and the cooling effects of the west winds give this wine beautifully structured acidity and a long finish. A pale straw in color, this wine emits intense aromas of fresh pear, french pastry and hints of stonefruit. Plush and generous on the palate, yet framed with vibrant acidity, flavors of baking spices, pie crust, fresh green fig and baked apple linger throughout the lengthy finish.
