

## 2018 Sonoma Coast Chardonnay

The 2018 vintage of the Sonoma Coast Chardonnay is our inaugural release of this wine. The 2018 Sonoma Coast showcases classic cool climate traits of this dynamic AVA. A pale straw color in the glass this wine bursts forth with aromatics of lemon crème, fresh fennel and honeydew. Slight hints of grapefruit rind, fresh cut persimmon and baked sugar cookies dance across the palate with bright acidity and a fine texture. These flavors persist throughout a vibrant finish and well after the last sip.
