VINEYARDS & WINEMAKING	<p>Quail Hill Vineyard</p> <p>Surrounding the winery, tasting room and the Bliss House, Lynmar's home estate includes three clones on four distinct Chardonnay blocks, planted in the cooler pockets of the site's undulating slopes.</p> <p>Our winemaking team has farmed Lynmar's home estate for nearly four decades, and our relationship with each block's slope, clone and rootstock selection deepens every vintage. This blend brings together the four Chardonnay blocks, all planted in cool pockets on Goldridge soils. A variety of clones—including Old Wente and Rued—combine to offer a markedly elegant wine with gorgeous, exotic aromatics.</p>
