

2017 Sonoma Coast Pinot Noir

One of our newest bottlings, the Sonoma Coast Pinot Noir showcases signature traits of this intriguing AVA. Dark crimson in color, aromas of rhubarb, dried cranberry, pitted cherry and white strawberry are pronounced in the glass. A focused entry leads way to more savory notes including clove, fresh tobacco leaf and graphite with hints of red apple skin and forest floor. The expansive palate culminates with a textured finish highlighting clove and red apple skin flavors.
