

2014 Sweeney Vineyard Chardonnay

This polished, aromatic release is crafted from Clone 4 grown in the estate-farmed Sweeney Vineyard, south of Sebastopol. Vintage after vintage, this cool site is the very last to be harvested. A lovely pale yellow in the glass, bright aromas of crushed pineapple, lemon verbena, oat straw and baking spices are immediately evident. On the palate, flavors of baked pear, pie crust and candied lemon peel join in, highlighted by softer notes of meringue and hazelnut. Notes of caramel and nutmeg round out the crisp finish, punctuated by bright grapefruit tones. Enjoy upon release or cellar through 2022.
