

2015 Five Sisters Pinot Noir

A tribute to the sibling bond of Lynn Fritz's five daughters, we hand selected five outstanding lots this vintage to craft the Five Sisters release. A bright ruby red in the glass, this lovely feminine wine opens with notes of Rainer cherry, fresh pomegranate and sandalwood. A silky entry leads to a structured mid-palate, where flavors of orange zest, black tea and fresh cranberry are punctuated by hints of rosemary. The focused, vibrant finish adds notes of strawberry and clove. Enjoy this release between 2018-2023.
