

2016 Monastery Chardonnay

The Monastery release brings together three Chardonnay clones: Calera from Quail Hill Vineyard, along with Wente and Mt. Eden from Susanna's Vineyard. This intriguing blend of dynamic clones produces a clear gold color in the glass with lively aromas of jasmine flower, tangerine, kiwi and hints of flint. Bright acidity on the palate gives way to notes of grapefruit, lemon-lime and honeydew. The acidity carries through the finish with flavors of Granny Smith apple and kiwi.
