

2016 Sweeney Vineyard Chardonnay

This polished, aromatic release is crafted from Clone 4 Chardonnay grown in the estate-farmed Sweeney Vineyard, found south of Sebastopol. Vintage after vintage, fruit from this cool site is among the last to be brought into the cellar. Golden straw in color, distinctive aromas of baked apple, citrus fruit, orange blossom and baking spice emerge. A plush entry framed by bright acidity leads to elegant flavors of brioche, ripe apricot and hints of muskmelon. The focused acidity culminates in a long vibrant finish interwoven with notes of baking spice and citrus.
