

## 2016 Quail Hill Vineyard Pinot Noir

Our 45-acre Quail Hill Vineyard is comprised of fourteen distinguished Pinot Noir clones. All of them are included in this signature estate blend, which harmonizes the complexity of this extraordinary site, and the pure, elegant expression of Russian River Valley Pinot Noir. A glowing garnet in the glass, the Quail Hill Pinot Noir offers bright aromas of brambly fruits, hibiscus flower, black tea, allspice and cherry kirsch. Flavors of plum, cedar, clove and orange zest shine through the beautifully textured palate. A long supple finish echoes hints of wild berry and forest floor.
