

2017 Quail Hill Vineyard Chardonnay

Lynmar Estate's 45-acre Quail Hill Vineyard has five distinct blocks of Chardonnay. Quail Hill's block 8 was planted to the Rued Chardonnay Clone, known for its stunning floral notes and fresh acidity. The remaining vines are Old Wente Clone, which add a weighty round richness to this release. A bright straw color, this release of Quail Hill Chardonnay radiates intense aromas of lychee, beeswax, jasmine and star fruit. Warm flavors of lemon-lime, granny smith apple and honeydew dance across your taste buds which culminate on a focused yet generous finish.
