

2017 Five Sisters Pinot Noir

A tribute to the sibling bond of Lynn Fritz's five daughters, we hand select five outstanding lots each vintage to craft the Five Sisters release. A deep garnet color in the glass, this energetic wine emits luscious notes of fresh baked strawberry pie, cherry kirsch, black tea and fresh twig. A bold yet finessed entry on the palate gives way to flavors of raspberry fruit leather, clove and cedar. The rich palate culminates with a focused and textured finish with reminiscing hints of cherry and black tea.
