

2017 Rosé of Pinot Noir

The 2017 vintage of Rosé was crafted from Pinot Noir grown on our estate vineyards and select neighboring Russian River Valley properties, using the French saignée technique. A beautiful medium pink color, this rosé showcases bright aromas of wild strawberry, dragon fruit, blood orange and raspberry. Lively acidity on the palate leads to flavors of cranberry, white peach and spun sugar while notes of hibiscus and watermelon rind lead to a juicy finish.

Alcohol: 14.1%

pH: 3.27
